MSF Superbikes Battle League 2026

What is MSF Superbikes Battle League?

The MSF Superbikes Battle League is a Tuner Championship built around how strong a tuner group performs across the season — not just individual rider results.

Open only to registered MSF Superbikes Race Tuners, the Battle League brings riders under one tuner to compete collectively, where every position on track contributes to the overall result, and how each tuner builds and manages their rider lineup plays a key role.

It's no longer just about winning your race — it's about how well your tuner group delivers together.

How to Enter?

Entry Fees: **RM 1,000.00** per tuner group per season.

- Each tuner group must consist of a minimum of **3 riders and a maximum of 6 riders**.
- **A minimum of 5 tuner groups** is required to start the league.
- Mid-season entry is permitted up to Round 2 only. Entry from Round 3 onwards is not allowed.
- Tuner groups joining from Round 1 must fully pay the rider registration for the entire season (a total of 5 rounds).
- Tuner groups joining from Round 2 must complete and pay for the remaining rounds of the season (4 rounds).
- All participating tuner groups must comply with the minimum participation requirement to be eligible for Battle League scoring.

Tuner Group Manager Requirement

Prior to the start of the season, each tuner group must appoint one (1) Tuner Group Manager as the official point of contact for the organiser.

The appointed manager must:

- Fully understand all Battle League regulations.
- Be the only representative authorised to communicate with the organiser and race officials on behalf of the tuner group.
- Ensure the tuner group name is correctly listed in all official entries for each round.
- Confirm that all Battle League riders are correctly registered under the tuner group.
- Ensure no changes to rider lineup are made after Round 2, as all riders must commit to a minimum of 75% of the season (4 rounds) to be eligible as a valid scorer.
- Verify all results and scoring within seven (7) days after the organiser has published the official results.
- No appeals will be entertained once the next round has commenced.

What to Win?

At the end of the race season, the highest-scoring tuner group will be awarded a **Special MSF Battle League Trophy**, along with **prize money**. Additional prize money will be awarded to the 2nd and 3rd highest-scoring tuner groups.

Prize Money Breakdown:

1st place: RM 3,000.00
2nd place: RM 1,500.00
3rd place: RM 500.00
